

The new Bettermile app

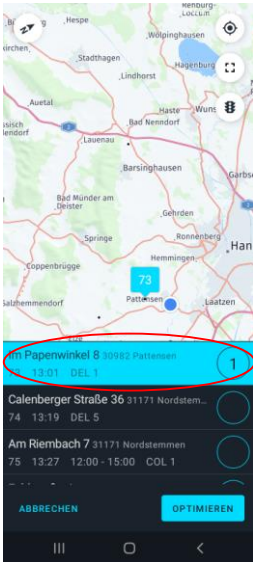

New Bettermile app: The new Bettermile app optimises the delivery experience down to the last mile and comes with plenty of new features.

Your login number: Please ensure that you have your **own login**. App logins can no longer be used by multiple drivers!

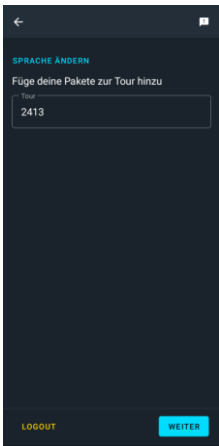

Your vehicle no.: Please ensure that you have your **own vehicle number**. Vehicle numbers can no longer be used by multiple drivers!

The Station ID/Scanner ID is **no longer** required to log into your own route.

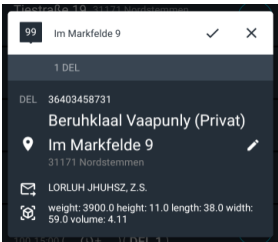

Your route: You decide where your route begins. Select and set your first waypoint. The sequence is optimised based on your first selected waypoint.

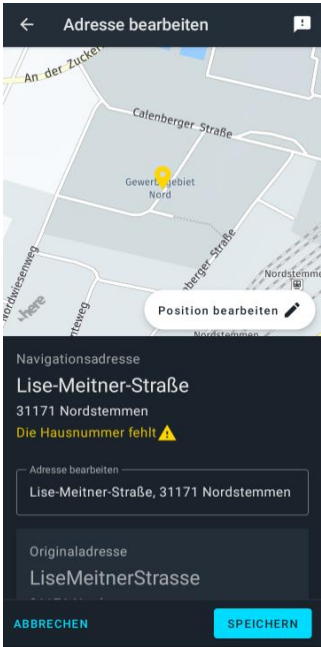

Tip: You don't need a time window to determine the start of your route. Please delete this.

Parcel details: You will receive additional details about your parcels via the DEL button on your waypoint list (parcel weight, sender, etc.)
